

Bachelor of Education Concurrent Program

If you're interested in pursuing a career in education, this option allows you to apply directly for advanced acceptance into our Bachelor of Education (BEd). Once you're accepted into this program, a spot will be reserved for you in our BEd program, which you will begin following the completion of your undergraduate degree. Provided that you maintain the requisite grades in your undergraduate program, you'll be granted direct entry into our BEd program.

Learning Opportunities

You'll have opportunities to participate in workshops, seminars and events with the Faculty of Education to learn more about becoming a teacher. Our leading-edge, 16-month program allows you to graduate and enter the workforce a full term sooner than most other BEd programs.

BEd Program

We strive to educate thoughtful, well-informed and socially responsible educational leaders, making optimal use of new and emerging digital technologies for learning.

Explore a teaching career after completing your undergraduate degree at Ontario Tech University.
